

BIDS ORDERED FOR RESERVOIR BY COUNCILMEN

Matter Of Cuts In City Wages Is To Get More Study

The council Monday night ordered plans and specifications prepared for a new municipal reservoir which is to be constructed near the end of Roosevelt avenue, and then authorized the city manager to advertise for bids.

Prior to this, it was necessary for the board to adopt a new wage scale for mechanics and other workmen, which was done. The scale, based on recommendations of W. F. Logue, spokesman for the Building Trades Council, follows:

Common labor	\$4.00
Skilled labor	5.50

Legal holidays, including Sundays and Saturdays where crafts work a five-day week, and other overtime to be paid at the rate of double time.

City Manager E. A. Rollison's recommendation against a general reduction of city salaries was read. It was prompted by the council's threat to top off wages in police, fire and other departments.

Councilman Beeger thought the board should not be hasty in its action in this respect, but that the problem should receive more and careful study.

Councilman Lambert spoke at some length. He said that he was "not an opportunist" and stood for only what was fair. If some employees were overpaid, he was for cutting them. If some were underpaid, he was for raising them. He wanted to see the matter delved into carefully.

Councilman Jones agreed with his colleague, but said the budget must be cut to fit the taxpayers' pocketbook. He said there was no way for the city manager to read just salaries equitably until the new budget is ready.

The council, on motion of Jones, granted Foster & Kleiser permission to erect a billboard at Five Points. Permission for this sign had been denied by the council recently.

The council accepted an invitation of Mayor C. A. Buck of Burlingame to meet with city officials at Russell's for dinner, April 29, at 6:30, to discuss matter common to peninsula cities.

City Manager Rollison said the Southern Pacific had agreed to repair the Chestnut street crossing.

BIRTHDAYS OF LOCAL KIWANIS OBSERVED

Observance of the birthdays of three members of the Kiwanis Club by a short biography of each was on the program of the club yesterday at Sequoia Hotel. The honored Kiwanians were E. A. Rollison, city manager, whose life was sketched by I. C. Drathman; Robert White, whose subject was Henry Beeger; and S. E. Briggs, of whom Sam Winklebeck, immediate past president of the club, gave a biographical account.

The meeting was closed. General business and reports of committees were heard. The president, John Gill, presided.

25 NEW CITIZENS ARE NATURALIZED

Final Papers Granted With Ceremony In Court

Twenty-five San Mateo county residents became citizens of the United States in ceremonies held in the court of Superior Judge George H. Buck Tuesday.

Examinations were conducted by Ernest J. Hoover of the department of naturalization. Attorney Robert Little of Redwood City gave a patriotic talk to the new Americans, and the Women's Relief Corps of Redwood City pinned the Stars and Stripes on the lapels and dresses of the new citizens.

Those naturalized were: Sam Gold (Poland), Redwood City; John Burbank (England), San Mateo; Thomas T. Ganderup (Germany), East Palo Alto; Fredrick Hassler (Germany), San Mateo; Archibald C. C. SAN MATEO, April 26.—Col Walter B. Garrison, head of the state department of public works was taken for a visit over the proposed "San Joaquin to the Sea" highway route this afternoon. He was greeted by San Mateo-Burlingame citizens, including Mayors Buck and Cotton, Judge J. J. McGrath, and members of the board of supervisors.

Garrison will be asked to lend his influence in getting the highway in the secondary system.

STATE ROAD CHIEF LOOKS OVER ROUTE

MAN WHO MADE BUFFALO BILL'S SADDLES DIES

SAN MATEO, April 26.—Alfred Dalton Sr., 74, of 123 North Fremont street, who as a youth of 28 made saddles for Col. William (Buffalo Bill) Cody in Cheyenne, Wyo., died today at his home here. He was a native of England, coming to America in 1881.

Dalton was in the harness business in Omaha, Neb., and in Birmingham, Eng., where he made saddles for the English soldiers in the Boer conflict. He also followed the business in Redwood City and San Mateo.

His widow, Edith, and four children, William H. Dalton Jr., of San Mateo; Mrs. Reginald Gittings of Burlingame, and Mrs. Pearl Nebecker of San Mateo, survive. Services will be held Wednesday at 1:30 o'clock.

Sheriff Takes Youth To Preston School

Sheriff James J. McGrath and Under Sheriff Lawrence Neri today took William J. Graves, 20, member of a Daly City burglary trio, to Preston.

Tim Morris, 16, "lone wolf" of the trio, will be sentenced Thursday by Superior Judge Franklin Swart.

Salvatore Barletta, 20, is serving 60 days in the county jail, after which he will be admitted to three years' probation.

\$6,316 Demanded In Auto Damage Action

Damages of \$6316 were asked today in a suit brought by Henry A. Barker against C. F. Brill and the Gas Consumers' Association as the result of injuries incurred by Mrs. Lena Barker, his wife, in an automobile accident at Main and Chestnut streets, December 21, 1931.

Mrs. Barker won a \$1000 judgment on her own behalf some weeks ago in superior court.

PUBLIC SCHOOLS' WEEK PROGRAM IS PRESENTED HERE

Student speakers and musicians exemplified the work of the public schools in a program given before a large group of citizens in the McKinley school auditorium Wednesday as Redwood City's observance of national Public Schools Week.

Adelene Bowman of McKinley Intermediate told of the advancement of elementary school curricula to include many cultural and elective subjects in addition to the three "R's" of years gone by.

Billy Dusel of Sequoia Union High School said that the modern high school encourages the development of four phases of education: citizenship, vocational, cultural and efficient use of leisure time.

Tax Shift Discussed
Roy W. Cloud, secretary of the California Teachers' Association, said that there are 1,406,780 students in the public schools of California and 37,646 in higher institutions, making a total of 1,444,426. Of the money necessary to operate these secondary schools, the state provides approximately 14 per cent, he said. He explained the proposal of the real estate interests to transfer most of the school tax from local units to the state and the suggested sources of revenue, such as taxes on non-essentials and a state income tax.

Musical Numbers
Musical numbers included a violin trio by Virginia Elvidge, Jane Duncan and Phyllis Maguire, accompanied by Victoria Parsons; songs by the high school double quartet; a duet by Iva Fuller and Dorothy Salsburg of McKinley school, and a song by the SB Girls' Glee Club.

Thomas W. Cutting, president of the Lions Club, and chairman of a general committee on service club, lodge and school representatives, presided. The Yomcan Club attended in a group and sang its club song.

R.C. MAN SUCCUMBS ON MADISON AVENUE

Mikbran Barbarian, a cleaner and dyer, died Tuesday morning at his home, 527 Madison avenue. He was a native of Armenia, aged 38. A widow survives. The funeral will take place at Halstead & Co., 1123 Sutter street, San Francisco, April 28. Interment will be in the national cemetery at the presidio. Barbarian was a World War veteran. He had lived here two years.

EMERALD LAKE WATER CHARGE MAY GET BOOST

The railroad commission has received an application from the C. H. Holt Realty Company asking for an emergency order increasing rates for water served to 534 consumers in the Emerald lake district.

The application states that "the revenue from such system is not sufficient to pay the operating expenses, nor to provide for any new service connections, and that unless immediate relief is had it will be necessary to discontinue the operation of the system."

Large Estate Left By Flood Confidant

James E. Walsh, business manager of the James L. Flood interests, left an estate "over \$100,000," his will filed in San Francisco today disclosed. The entire estate is left to the widow, Mrs. Della Walsh, 2100 Broadway.

Walsh was one of the principal figures in the sensational fight of Mrs. Constance May Gavlin, but was unable to attend because of his last illness. He died recently.

No Blame Fixed In Bayshore Fatality

That J. Franklin Collins, San Carlos garageman, was killed by a truck on the Bayshore highway April 18, was the finding of a coroner's jury in Redwood City Tuesday. The inquest was held in the Layne & Tinney chapel. No blame for the accident was fixed. Collins was sweeping glass from the highway which had been the result of another accident, when he was struck by a truck.

Duluth, Minn., has started plans for a \$1,000,000 Medical Arts office building, the largest building project in downtown Duluth since the World War.

BAND, ORCHESTRA CONCERT FRIDAY

Sequoia high school's fifth annual band and orchestra concert will be held this evening in the high school auditorium at 8 o'clock as Sequoia's contribution to Public Schools' Week.

The orchestra of 46 pieces and the 57-piece band will appear under the direction of Max L. Gelber, director of instrumental music at the high school. Mr. Gelber will play by request a violin solo "Legende," by Wieniawski, accompanied by Mrs. Dorothy Ketman.

Three numbers in the group offered by the orchestra are "Alphonse and Estrella," overture (Schubert); "In a Monastery Garden" (Ketybel), and finale from the "Surprise Symphony" (Haydn).

Virginia Elvidge, Jane Duncan and Phyllis Maguire will offer a violinello trio, "Requiem," by Popper, accompanied by Victoria Parsons.

In the band group are "Grandioso" march (Seitz); "Don Quixote" (Saffranck); two novelties, "Sally Trombone" (Fillmore) and "The Whistler and His Dog" (Pryor), and "Light Cavalry" overture (Von Suppe).

The concert is presented free of charge and the public is invited to attend.

PLAINTIFF LOSES \$20,000 LAWSUIT

A \$20,000 damage suit filed against Paul Biber, 105 West Bellevue, San Mateo, son of Mrs. Ellen Biber, secretary of the San Mateo County Social Service Commission, was lost today by William D. Privette Sr., 655 North Delaware street, in Superior Judge Franklin Swart's court.

Privette sued for a broken leg and other injuries suffered by his son, William Jr., when run down by Biber's car in San Mateo, a year ago. A jury refused any damages after a three day court hearing. Privette must pay the costs.

COUNTY COUNCIL OF SCOUTS WILL RECEIVE CHARTER

San Mateo County Council, Boy Scouts of America, will receive its charter as an independent organization at a dinner program arranged for Thursday evening at Hotel Benjamin Franklin in San Mateo.

C. J. Carlson, regional executive, will present the charter and the acceptance will be made by C. J. Eldridge, president of the county council. Scout Benny Langdon of Burlingame troop No. 157 will give an address of welcome to Carlson.

On the program will be musical numbers by the Redwood City Kiwanis Club. More than 150 men of the county interested in Scout work will attend.

Presentation of the charter to the county council is the result of recognition for its work during the past seven years as a district of the San Francisco council. The county body now has the official sanction of the national council to operate independently.

Dispute Halts S. J., South City Ball Game

"A dispute over the score halted the baseball game between the San Jose and South City high school 130-pound teams yesterday in the fifth inning at the Washington diamond, San Jose.

South City's scorer claimed that his team was leading 5 to 4 in the fifth frame, while the San Jose scorer had given San Jose five runs and South City 4. Coaches of the respective teams decided to call it a tie game, and the two teams will replay the game within two weeks.

Flagtime Wins Big Purse At Tanforan

Flagtime, a four-time starter at Tanforan this season, won his first race of the current meeting Wednesday by defeating Ante Bellum and Shasta Bullet for the Walnut Creek purse.

Among the other favorites to win yesterday were Skipcase, Prancing Step, Step This Way, Baggage Maid, Bonain, Pat O'Connor and Freight Clerk.

SCHIEBER DIVORCE PLEA TAKEN UNDER ADVISEMENT

Superior Judge Franklin Swart today took under advisement the divorce plea of Mrs. Ethel L. Schieber of Redwood City against Frank J. Schieber, an employee of the Southern Pacific offices in San Francisco, following a hearing of the case. They were married in Minneapolis, June 10, 1925, and separated here February 17. She is seeking custody of their daughter, Frances, 5.

N. P. A. CLUB VOTES FIRE FIGHTING AID

MENLO PARK, April 28.—Two hundred dollars worth of work is being donated to the Menlo Park Fire Department's clean-up and fire-prevention campaign next week by the North Palo Alto Improvement Club, it was announced today by Fire Chief Thomas Club.

The money will be paid out in wages to unemployed men hired especially for the clean-up work in the North Palo Alto area, which is included in the Menlo Park fire district.

Menlo Park Boy Scouts under the direction of C. L. Dyer will distribute fire prevention circulars issued by the board of fire commissioners throughout the entire fire district.

Calling attention to the coming of the dry season, the circular asks the co-operation of residents and property owners in removing accumulated rubbish from yards, attics and basements, removing grass and weeds from parking areas, cleaning chimneys and stoves, and removing rubbish from alleys.

The residents are also asked to call the fire department at Palo Alto 4484 for advice concerning possible fire hazards. The circulars are signed by the commissioners, J. B. Howell, chairman; F. B. Whipple and Charles H. Merrill.

CITY MANAGER IN STATEMENT ABOUT WAGE REDUCTIONS

City Manager E. A. Rollison does not want to lower the morale of city employees, with a consequent loss of efficiency, by cutting their wages. In his report on the proposed revision of salary schedules to the council Monday night, he expressed his views as follows:

"On Saturday, April 16, our then retiring mayor, D. R. Stafford, handed me a list of revised salary schedules and asked that I study the same and submit my recommendation at an early meeting of the city council, having in mind a general reduction of the salaries now being paid city officials."

"In accordance with Mr. Stafford's request, I have made certain studies and comparisons that I believe to be pertinent in arriving at a conclusion and in this connection beg to submit my recommendation hereto for your consideration and study the salary schedules of our neighboring peninsula cities consisting of Burlingame and San Mateo.

"You will note in your observation of the above schedules that while generally speaking the salaries now being paid to patrolmen and firemen on duty in Redwood City are the same as the other neighboring cities mentioned are paying that the heads of all departments over which I have supervision and for which I am personally responsible, including that of city manager, are without exception being paid salaries that range from 10 per cent to 33 1-3 per cent less than are being paid to similar officials in adjacent cities. Not only are city officials in Redwood City at the present time receiving less compensation than officials holding similar positions in this immediate vicinity but in addition to this Redwood City's officials are invariably, through the combination of various offices, rendering more and a greater variety of service to the city. Firemen on duty are continually engaged in actual work having a tendency to develop and improve our fire alarm system and other fire fighting facilities, policemen on patrol duty are engaged in the section of city licenses and the office force at the city hall are compelled to work many Saturday afternoons and holidays in order to eliminate the necessity of employing extra help at certain peak periods.

"While the above are, I believe, the main elements to consider for comparative purposes, at least, there are obviously many other controlling factors. The fact however that private institutions in many cases have seen fit to eliminate employees or reduce salaries on account of lack of business I do not believe is a very pertinent due to the fact that in these instances there simply ceases to be the same duties to be performed as in normal times while in city business there are in periods of depression even more duties to be performed by city officials than when conditions generally are more favorable.

"Due to the above facts together with the many others that I might mention if time and space would permit, it is obvious that any reduction in the salaries now being paid to any of the city officials hereby enumerated as compared with existing schedules elsewhere would be inconsistent and for this reason I fear would have a tendency to reduce the morale and efficiency generally as well as in some cases tend to breed dissatisfaction and discontent and as a whole would not be a staple and permanent movement toward economy and therefore detrimental to the best interests of the city. However, it is my ambition, and the financial status of our present budget together with a brief study of our anticipated requirements for the 1932-33 budget plainly indicates, that by the practice of rigid economy a reduction ranging from 10 to 20 cents can be made in the tax rate for the coming annual period and this without the necessity of making salary reductions or service being rendered to the public. This, however, I feel cannot be accomplished on a salary reduction program.

"For the reasons as above set forth, it is my recommendation to the city council that any contemplated action in the way of reducing salaries at this time be deferred until such time as our neighboring cities and adjacent communities prepare to do likewise."

INFORMATION FILED IN MARKET HOLDUP

Information charging George L. Parker and William Wright with robbery and burglary of the New Lincoln Market in South San Francisco January 26, were being prepared for filing today by Deputy District Attorney Harold F. Anderson.

CITY OF SAN FRANCISCO MAY TEST LEGALITY OF TWO COUNTY TAX ITEMS

The city of San Francisco was reported today to be considering a court action to test the legality of two items included in the 1931-32 San Mateo county budget.

Items which the metropolis contends are illegal were those for the Memorial Park road, a 6-cent 3-mill tax, and the La Honda road, a 5-cent tax. No protest will be filed by San Francisco against the 2-cent 1-mill levy for the purchase of the Sunnyvale dirigible base.

Other firms and taxpayers, however, attacked the latter item in protests filed with County Tax Collector Ambrose McSweeney.

San Francisco, the largest taxpayer, protested the two items in paying the second installment tax of \$20,000 a few days ago. The city would gain a refund of \$3700 if the items were found by a court to be illegal.

Other protesters included the Pacific Portland Cement Company of Redwood City, which objects to a tax of \$9,913.89, saying it should be no more than \$9,646.14. The firm does not protest the two items, but hits the other two items.

Jennie Crocker Henderson of Hillsborough, protesting all three special levies, asks a refund on the \$13,865.45 tax paid by her.

The Mills Estate Company, which paid a \$35,468.07 tax, protested all three items.

Maud Lee Flood, widow of James L. Flood, of Menlo Park, protests all three levies, as does the Flood Realty Company. Mrs. Flood's tax was \$12,319.71, and the realty company's, \$5418.11.

George A. Kneese, former county surveyor, paid his tax rate of \$176.65 under protest, but made no specific complaint, and Mrs. Kneese did likewise in paying \$288.78 tax.

The three items are valued in cash as follows:
Memorial Park road \$30.00
La Honda road 23.95
Sunnyvale 10.00
Total \$64.01

Attorney General U. S. Webb has issued an opinion in which he declared the La Honda levy was illegal. This would affect the other items, as well, it is believed. The matter is tested in the courts the county would be forced to refund the \$64,000 tax from the three levies to all taxpayers whether or not they protested.

San Francisco has six months in which to bring its action. No decision is hoped for in the matter for several years as the county would appeal if the levies are ruled illegal in the lower courts.

SUIT TO CONDEMN BAYSHORE ROAD PROPERTY OPENS

Condemnation proceedings were commenced yesterday in superior court in San Jose by the state department of public works to secure two parcels of land for a right of way for extending the Bayshore highway from Palo Alto to the Lawrence Station road near the Sunnyvale dirigible base.

Named in the action as the owners of the sought property for the highway are R. P. Trainor, Pacific Gas and Electric Company, and Adrian and Serafin Aguilar.

The state highway department is asking the court to determine the value of two parcels of land needed for the highway right of way containing in all about six and a half acres. The land is between the Embarcadero road in Palo Alto and the Lawrence Station road just south of the dirigible base.

Superior Judge P. F. Gosbey signed an order granting the department of public works the right to take immediate possession of the property in litigation so as not to delay the construction of the Bayshore highway.

CITY SEEKS \$9213 IN SCORE OF SUITS

City Attorney Albert Mansfield of Redwood City today filed 21 actions with County Clerk Elmore B. Hinman to foreclose street assessment liens for improvements made in Redwood City in 1926 under the Improvement Act of 1911.

The total sought in the 21 actions is \$9,213.37.

Russell W. Brown Will Filed At R. C.

The "over \$10,000" estate of Russell W. Brown, 45, retired San Francisco lumberman, who died in Atherton April 20, is left to his widow, Mrs. Bertha K. Brown of Atherton, his will filed in Redwood City today shows.

One thousand dollars is left to each of his children, Mrs. Zillah Pisan and James W. Brown. The Anglo & London Pacific National Bank of San Francisco is named as executor.

Mrs. Sonja Voronoi today had been granted an interlocutory decree of divorce from Adriano Voronoi on the ground of cruelty by Superior Judge George H. Buck. She also won custody of two minor children.

REAL ESTATE TAX REDUCTION URGED

At a special meeting of the Redwood City District Real Estate Board in the city hall Tuesday night, a drive to enlist the aid of the public to secure a reduction in real estate taxes by the formation of a strong property owners division, was started.

There are now 17 members in this division, and it is the aim of the local board to increase this number to at least 100 active members.

Pres. Emmett Donnelly appointed the following committee to conduct the campaign: Daniel R. Stafford, chairman; Julius Smith, Henry Witte, William Dusel, Dave Walter, Charles G. Lambert and Mrs. J. L. Atkinson of Redwood City, and Merritt Hosmer and John E. Cowgill of San Carlos.

ALBERT DISBROW CLAIMED BY DEATH

Albert K. Disbrow, 56, a resident of the Emerald Lake district, died unexpectedly

Woodside

The Woodside Gardeners' Association will hold its monthly meeting at the school auditorium next Monday evening. The exhibition of cut flowers called for by the trustees for which prizes will be awarded are:

Best 12 spikes of iris; best 12 spikes of antirrhinum (snapdragon); best 12 spikes of sweet peas; four varieties; best 10 spikes of roses, six varieties. Although the organization is still very young, it already includes most of the professional gardeners of Woodside and their exhibitions of potted plants and cut flowers represent the highest development of floral culture.

The Rev. Benjamin St. John, pastor of the Woodside Church, and Mrs. F. H. Mighall and Mrs. J. D. Gish as delegates from the local church, attended the Congregational convention at San Mateo Wednesday.

In place of the usual May-day celebration, the Woodside School will entertain the Portola School at luncheon and with competitive athletic events Friday afternoon. Prizes have been provided for many racing contests and the finals of the handball and paddle tennis tournaments will be played. The parents are invited to have luncheon with the children under the oaks of the local school grounds.

Mrs. Leland John and Mrs. B. D. Ralston arose early Tuesday morning to drive to Fresno and reach there in time for the opening of the session of the State Parent-Teacher Association.

Twenty-four children were vaccinated at the Portola School Tuesday morning by Dr. Howe of Redwood City, some for small-pox and others with toxin-antitoxin against diphtheria.

Miss Elsa Muller of Woodside has reached the finals in the bowling tournament being held in San

Francisco and in view of her performances thus far is expected to take first place in the tournament.

Mrs. Robert Hughes won the blue ribbon and silver cup with her Pekinese "Pow-wow" at the pet show held at Redwood City last week. "Pow-wow" was from the kennels of Thomas Stewart of Woodside.

Mr. and Mrs. Mortimer Fleishacker opened their home here for the summer Thursday of this week.

The Woodside baseball team lost its second game of the season Sunday when they came up against the Hotshots of North Beach, San Francisco. Last year they lost but one game during the season.

Mrs. Helen Huebner, the school music teacher, in celebration of Public School Week, gave a pupils' recital at the school auditorium Thursday evening. The programs were as follows:

1. Rhythm Band, Le Secret (Gauthier).
2. Talk on Folk Music, Florence Kerr.
3. Illustrations by pupils of the piano class:
 - Marian Burkhardt — The Buttercup; In the Moonlight.

Tin Mining Movies Shown Exchanges
Motion pictures of the Malay jungles and rivers, where tin ore is found, were exhibited by Donald Steel at the dinner meeting of the Redwood City Exchange Club Tuesday. The speaker has spent a number of years in the Straits Settlements "prospecting" for tin. Harold McGee was chairman of the evening. The club will hold a costume party for members and guests in May.

CRUELTY ASSERTED
Mrs. Nina Price, who separated from her husband, George H. Price, in Redwood City January 23, today brought suit for divorce on the ground of cruelty. They were married in San Francisco May 10, 1918. She seeks custody of their three children, Harold, 13; Dorothy, 11, and Charles, 9.

It is said that more persons disappear from Paris than any other city in the world. The "missing" list averaged 250 daily last year.

Lions Hear Talk On Oil Control Bill
Edgar T. Hurley, former state senator, in a talk before the Redwood City Lions Club Tuesday, opposed the Sharkey bill and urged members of the club to vote "no" on the measure at the election to be held on May 3. George McQueen was chairman of the meeting and arranged the program. Senator Hurley said proponents of the measure are using the names of more than 100 so called "independent" oil producers as being in favor of the bill who are

in reality "dependent" companies which sell their entire output to major companies. "These dependent companies have no other alternative than to support the bill," he stated.

Unemployment would result if production were reduced, the speaker said. He declared that the price of gasoline will advance if the major companies are given absolute control through the Sharkey bill.

Members of the Lions Club will attend the Public Schools Week program to be held at the McKinley school tonight. Thomas W. Cutting, president of the club, is chairman of the affair in which

Why Not The Truth?

The attempt to put over the SHARKEY OIL CONTROL bill on the people of California and establish a monopoly under control of the major oil corporations should be resented by every voter of the state. From the start it has been a campaign to bunk the public.

The true sponsors of the bill, the major oil corporations, are afraid to come out in the open and fight for their own measure. They are supplying the money but are using dummies to hide their activities.

So-called "Independents," servants and dependents of the major oil corporations, have been called into action. One of these groups, widely advertised as favoring the bill, is headed by the president of one of the major oil corporations, but his name was carefully eliminated from the list of supporters of the SHARKEY measure.

It was to be expected that they would make one big blunder, and they have.

The Beans Have Been Spilled

To find sponsors for their measure the major oil corporations went to Texas and got the Governor, former president of the Humble Oil Company, a major oil corporation subsidiary in that state, to tell the people of California how they should vote. Announcement was made by radio on the hour of a major oil corporation of California, and time for the speech was on the hour of a major oil corporation of New York. How is that for a hook-up? Alfalfa Bill Murray of Oklahoma was in the same hook-up! Is it any won-

der that the voters of California should resent this impudent interference in their affairs?

In keeping with their plan of campaign to mislead the public about this measure, the major oil corporations attempted to get it on the ballot as "OIL CONSERVATION." The State Court of Appeals soon upset that bunk and gave the measure its proper label of "OIL CONTROL," and that's what it is, with the control of the industry handed over to the major corporations.

There is No Overproduction of Oil in California!

There is not a drop of oil being wasted in California today. The same major oil corporations which are trying to put over the SHARKEY bill in California and shouting about "overproduction," are importing peon-produced oil, duty free, into the United States from Venezuela and Columbia at a rate exceeding by 100,000 barrels daily the entire production

from the California fields, and have stolen the market away from California produced oil on the Atlantic seaboard.

Why Not The Truth? The sole purpose of the SHARKEY OIL CONTROL is to kill off independent competition, establish a monopoly and raise the price of gasoline to 25 cents per gallon or more.

WARNING! STOP, LOOK, LISTEN!
Great sums of money are now being spent, and far greater sums will be spent by the Major Oil Corporations in every conceivable form of propaganda before election day in the attempt to put over the SHARKEY bill. Millions for monopoly! Fat salaries for executives do not

care how they spend their stockholder's money to play their own cunning game. The best guess is that the people of California will not be fooled no matter how great the flood of paid advertising, paid speakers, radio and propaganda! Vote to kill legalized monopoly by voting NO on OIL CONTROL (PROPOSITION NO. 1) on MAY 3.

A recipe for a happier home

To a loving family, add financial security. The result invariably is a happier, worry-free, debt-free household.

By financial security we do not mean the possession of a large sum of money, but simply a steadily increasing surplus, tucked away each month through wise spending and economical living.

But to make certain that there will be a little left over to tuck away at the end of every month, a well-thought-out plan of spending is essential. We have a plan that you might adopt to your own household needs. It was worked out by a California housewife who has devoted much thought to the subject of household management, and who has written several articles on this subject for national magazines.

You are invited to call at the bank for your copy.

HONEST ABOUT IT
HOUSTON, Tex.—As Felix Terry approached his car where he had left it to attend a movie, he noticed a man tinkering around the rear. "What's the big idea?" Terry asked. "I'm broke and out of gasoline," the "mechanic" replied. He was attempting to drain out enough gas to run his car, which was parked in front of Terry's. Currituck county, N. C., recently bought \$10,000 worth of its own bonds before they were due.

HOOVER'S STRENGTH MAY 3 WILL BE PROMISING SIGN

All voters are urged to come to the polls on May 3 to vote for their choice for the presidency. Because President Hoover has no opposition in the state is no reason why Republicans should stay away. A big vote for Mr. Hoover will encourage him in his work. It will show the country his popularity in his own beloved state.

Governor James Rolph in a recent radio address said among other things that:

"Is it not singular that while others shout about leadership, the Congress of the United States has accepted the Hoover program, largely formulated by his own independent judgment and genius, as the wisest program brought forward for the relief of the country?"

"I believe that this year, as usually, in the presidential contest, the Republican nomination will be equivalent to election. I believe that the Republican party will renominate the man who has led it so ably and courageously in the past four years. And I believe that Herbert Hoover's own state of California should lead the demand for his renomination."

"California will cut a very important figure in the coming Republican national convention, for this state is now sixth in population and has more delegates in the convention than any state except five: New York, Pennsylvania, Illinois, Ohio and Texas. For that reason, the presidential primary in California will be doubly important—important because of the number of California delegates in the convention, and important because President Herbert Hoover must have the support of all the delegates from his own state, our California. Therefore, I appeal to all my hearers to talk and work against those who would turn the calamity of a nation to partisan or personal political advantage, and to secure the renomination and re-election of that able, competent, brave and patriotic American, known as 'The Man for Difficult Jobs,' President Herbert Hoover."

SOMEBODY IN LOS ANGELES HAS BEEN ASLEEP LONG TIME

Schools in Los Angeles, it is revealed, are still using textbooks referring to the time "when the Panama Canal is completed," and other anachronisms, such as, "grape growing for the manufacture of wine is one of California's most important industries."

The current activity in the southern metropolis to correct these obsolete texts is laughable. But the long delay in getting at it indicates sleepiness somewhere in the educational system.

THOSE COLLECTIONS COULD BE WHOLLY NOISELESS AFFAIRS

Aimee Semple McPherson-Hutton, so she told a revival audience in Kansas City, doesn't like to have people drop silver into the collection plate. It seems that the rattle of the coins gets her nerves on edge. What she prefers is a gathering of currency, the paper money being more quiet in its habits. Now it seems as if the people in their consideration for Aimee's delicate nerves should go farther than she proposed. Omit the silver offering, to be sure, since it is noisy. And for fear that the rustle of paper also might have an unsettling effect on the evangelist, why not allow the plate to pass unnoticed altogether?

MEN IN CO. CAMP NEED WORK SHOES

Work shoes are badly needed by some of the men in the San Mateo County Unemployment Camp in Memorial Park, Pescadero. County Purchasing Agent Ernest Werder reported this today after a visit to the camp. Twenty-eight men are in the first camp, which was established this week by the board of supervisors. One of the men has five children in his family and is expecting the arrival of the sixth. He is "commuting" between the park and his home in Daly City because the 75 cents for board and room charged the workmen is "too much."

Workmen are given \$3.25 per day and their board and bed. A new crew will go next Monday from various San Mateo county cities.

Hunan, province of China, is about the size of Idaho. It has about 400,000 bandits, and one of its cities, Iyang, has changed hands between gangs about 70 times in a recent 12-month period.

WENT TO HIS HEAD

CINCINNATI.—Authority was not the proper thing to give her husband, Mrs. Pearl Selg contended in a suit against her husband, Henry. She said when he was made a deputy sheriff he thought he could boss everyone, including his wife. She charged he drank heavily and reached the point where he drank beer from the crock before it was ready to bottle.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, sticky often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned. It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, acting when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the box and label. Demand a substitute. No other name. © 1932, C. M. Co.

Here's Dope On Conditions For Trout Fishing

With but a few days until opening of the 1932 trout season, May 1, the state fish and game commission has received reports from many sections throughout the state relative to fishing conditions.

Except in higher elevations most of the favorite trout waters will be ready for the anglers on the opening day, though in some sections below the snow lines fishermen are advised conditions will be better toward the end of May.

All reports agree that during the opening days of the season bait will have to be used, as the waters are too cold and full of so much natural food the trout will not be lured by flies.

From Auburn, PLACER COUNTY, comes promise of good fishing. The 1,500,000 trout planted under the direction of the Placer County Public Anglers' Association are ready for the rod and reel. Bait and spoon fishing recommended. Iowa Divide, Forest Hill and Short Tail canyons along the North Fork of American river favorite spots for fishermen.

In PLUMAS COUNTY Bucks Lake offers promise. Here Loch Leven and rainbow running up to five pounds, about. Other streams where fishing is expected to be good are at Blairden, Grizzly Creek, Sloat and Long Valley streams, and near Belden out of Lake Almanor.

YUBA COUNTY won't be ready until later in May. Prospects then excellent.

SIERRA COUNTY'S 40 miles of streams will be ready for anglers May 1. Packers can get bigger catches on Sardinia, Salmon and Gold Lake, near Baldy.

ELDORADO COUNTY—Fishing will be best later in month, although success may be expected May 1 on Rubicon and Little Rubicon rivers and South Fork of American river.

ANADOR COUNTY—Fishing will be good in Mokelumne river and tributaries. Roads good.

TUOLUMNE COUNTY—Below snow lines fishing will be fair and good. Good reports from South Fork Stanislaus, North Fork Tuolumne, easy to reach. Turn right at Long Barn for Wright, Hull and Rush creeks.

CALAVERAS COUNTY—Reports good for Mokelumne river above Jackson; Sutter creek, near Volcano, and various tributaries of Mokelumne in vicinity of West Point. If warm spell before May 1, fishing will not be so promising.

SANTA CRUZ and SANTA CLARA counties have no closed streams this year. The latter reports fishing will not be so good this year owing to long dry spell, however, in some sections expert anglers may get limits. In Santa Cruz mountains those who get on the ground first are promised results.

FRESNO COUNTY—Streams in lower levels, stocked during the past two years, promise limits. Bait fishing will be the rule.

MODERN CRUSOE LONDON.—When Sir Norman Angell, famous economist, reaches his lonely island off the Essex coast, he will lead the life of Crusoe. His farmstead is the only habitation on the island, and is completely secluded from tourists and pleasure seekers.

This was denied, however, by Capt. Edward Macauley, chairman of the county relief committee.

If the plan is put in effect, a sum of about \$750 will be raised monthly from this source, or about \$9000 per year, salary figures taken from County Auditor Edward M. Stack's books, reveal.

County officials who get salaries of \$3500 per year, would be called on to contribute \$9.72 per month, or \$117 per year.

Superior Judges George H. Buck and Franklin Swart, who get \$6000 per year, would pay \$15 per month into the fund, or \$180 per year.

BACK TO GREECE

DETROIT.—For 10 years Theodore Dukas has been fighting to remain in the United States, but he lost his long battle and is now on his way to Greece, his native land. He first entered this country in 1910. He was charged with acts involving moral turpitude and left the country in 1913. In 1922 he returned and succeeded through various court actions, in remaining here until he lost his recent case.

DISAPPOINTED

ALBUQUERQUE, N. M. — The two children of Chief of Police Pat O'Grady, Jack and Patricia, were overjoyed. They had won a calf given by St. Vincent Academy. But father O'Grady had different ideas. He resented turning his back yard into a cow pasture, so he refused to issue them a permit to keep the animal.

Menlo Park

Mrs. Grace C. Stoermer, grand president of the Native Daughters of the Golden West and state hostess for California during the period of the Tenth Olympiad to be held in Los Angeles from July 29 to August 14, inclusive, has appointed Mrs. Catherine Derry a member of the California State Hostess Committee. This is the first time in the history of the Olympic Games that women have been assigned the important work of arranging for the welcome and entertainment of distinguished visitors.

Mrs. Derry is a prominent Native Daughter and at present district deputy grand president. For many years she has been a delegate to the grand parlor. Mrs. Derry has selected Mrs. Devol to act with her in her work. Mrs. Devol is not a Native Daughter but is active in community service.

On Saturday, May 14, a garden fete will take place on the estate of Mrs. Devol, Santa Cruz avenue, beginning at 1 o'clock and continuing until 10 that evening. There will be games and amusements of all kinds to please everyone. The society of the peninsula will be there in numbers. An orchestra is to furnish music for the dance in the evening. The receipts of the day are to be turned over to the Ann Clark Fellowship Fund for the Catholic school social service at Washington. A scholarship is to be given to a young lady in this diocese. The graduates of the Washington school are always in big demand. The fete is sponsored by the National Council of Catholic Women.

Mother's and Father's night will be observed by St. Joseph Alumni Association tonight in the Hall of the Nativity by members of St. Joseph's Alumni Association who will sponsor a program of song and music and give a dinner to the parents of the members of the society. The mothers and fathers will be duly honored.

Archbishop Mitty was greeted with a large congregation in the Church of the Nativity last Sunday when he arrived to administer the Sacrament of Confirmation to a large class of girls and boys. Before the ceremony the archbishop delivered a fatherly address to the class admonishing the members to remain ever faithful to their vows as "Christian Soldiers."

Mr. and Mrs. E. P. Mahoney acted as sponsors for the following boys and girls:

Joseph and Barbara Ahlert, Mary Aghem, Robert Betten-court, Catherine Baggenstos, Rosetta Beeler, Joseph Beigns, William Belmont, Victorine Boettis, Rosemary Bettini, Margaret Castano, Annette Cocco, Betty Christie, William Carter, Bernard Doyle, Margaret Compe, Paul Diebels, Irene Delfino, Paul Fay, Jack Flynn, Nancy Fay, Frances Ferioli, William Grisell, Robert Grill, Peter Gerbo, Eugene Hopkins, Betty Hardy, Robert Huff, George Hopkins, Mary Helfrich, John Johnson, Peter Jost, Helen Lencioni, Aileen McCarthy, Madeline Morey, Margaret McLoughlin, Jean Moyers, Louis Molteni, George May, Angelo Nicol, Eugennia Partee, Frances Petrucci, Jean Parker, Alice Ravizza, Dora Ricci, Virginia Rosenberg, Ryan Ryan, Francis Sullivan, Genevieve Storick, Betty Strub, Pauline Smith, George Singer, Elizabeth Tangney, Norma Tanzi, Jack Welsh, Claire Whittle, Jean Ward, Leonard Wipfler and Albert Whittle.

A number of men are at work in Holy Cross Cemetery clearing the grass and weeds from the paths and graves so the graveyard will put on an attractive appearance when Decoration Day comes around. Funds are required for this improvement. Those having friends or relatives buried there are urged to be liberal with the collections when they call. The departed were loved in life, let their last resting abode be beautiful.

A Garner meeting was held in the grammar school auditorium Tuesday night. About 30 were present to listen to able speakers extol the virtues of the Texan. It is believed that Al Smith will poll the largest vote in Menlo Park on May 3.

Matthew Kennedy, who passed away in San Francisco last Saturday, was born and raised in Menlo Park and was widely known. His father died when Matthew was very young so that when he grew to manhood he shifted for himself. His mother and an only brother departed this life many years ago. As a youngster he was a noted football player, bringing fame to the local team. The deceased will be recalled by all old timers and memory of his kind deeds will be recounted.

A unique picket fence constructed on the M. F. Kavanaugh estate at East Palo Alto in 1875 was purchased last week by Mayor M. A. Harris of Atherton and removed to his new home on the sloping hills back of Atherton. The fence was the only one of its kind in this part of the peninsula. The antique will add to the attractiveness of the new Harris home. The posts put down 57 years ago were well preserved and almost as good as the time they were set in position.

Capt. J. J. Alexander, who maintains a pretty home on Live Oak avenue, is preparing to move to Samoa, one of the South Sea Is-

lands. The captain is a master electrician for the United States Government and must spend two years on the main land and two years at some outpost. When he returns he expects to be pensioned, having served the required time in the service. He will depart from Menlo Park early in July.

Thursday evening, May 5, a card party will be given at the home of Mrs. Devol on Santa Cruz avenue for the benefit of the American Legion, local post. Attractive prizes are to be awarded the winners of the game.

Chief Cuff of the Menlo Park Fire Department asks all property owners to co-operate with him in clearing vacant lots and back yards of grass and debris. If let go now they will become a fire hazard when summer comes.

The big card party sponsored by the Native Sons and Daughters for the benefit of the unemployed takes place in the grammar school auditorium on May 2. The prizes are numerous and costly. Admission is 25 cents. The good cause should bring out a large crowd on that night.

Mrs. Hank, a sister of Mrs. W. T. Casey, is here from Vancouver for a month's stay. She says that a business recovery has taken place in her home town and that things are booming. This is Mrs. Hank's first visit to the peninsula. She is delighted with the community.

Tuesday night last was the time set for hearing protests for the paving done on Live Oak avenue. The chamber was crowded by a large number of property owners many of whom made personal protests to the council. A lengthy protest filed some time ago signed by seventeen land holders was first taken up and discussed. Ex-Councilman A. E. Blake appeared for the protest. He took up the five objections raised, namely, that the official lines and grade was not according to specification that the specifications called for six inches of pavement when there was less, that there was one layer of asphalt when there should have been two, that the surface was oil and screenings when another material was specified and last that notice of award was published after contract was awarded. Blake argued these points with some vigor.

Other property owners followed but the burden of their tales was that their assessment bills were excessive and higher than they expected. City Engineer Mehl explained this by saying that the incidentals were added after the completion of the work. After the protestants had been heard James Caldwell, president of the Valley Paving and Construction Company, the contractors, and M. C. Wild, his attorney, declared that the contract was lived up to "and then some." Wild also pointed out that the price was not in question at the hearing.

The attorney also declared that all those giving testimony at the hearing should have been under oath. This was the time also set for hearing protests on Doyle and Curtis streets. There was none, however, but two property owners thought the surface should be smoother on both thoroughfares. J. Brown in a communication asserted that a portion of his sidewalk was damaged when the work was done there and desired to have the walk repaired. The matter was referred to the city engineer who said the matter would be taken care of.

After some discussion a continuance on the protests was taken to Thursday night at 7 o'clock when the assessments will be confirmed. When the proceedings began Tuesday night, Blake demanded that the plans and specifications, and they were produced by the city clerk. City Attorney George Whitworth explained the procedure and the rights of the council and property owners.

The following communication was read from City Engineer Mehl:

"In view of the fact that my office has been involved in recent newspaper publicity because of alterations made in the assessment roll by some unknown person after being filed by me with the city clerk, in the matter of improvements of streets in Paraiso Park, I am taking this opportunity and means to give a brief statement concerning mis-statements furnished the press and public by J. J. Harcom, asserting himself to be chairman of the Paraiso Park Property Owners' Association.

"To deal completely with the entire matter would necessitate a lengthy review of all press publicity to date. I consider it sufficient to state that all press reports from Mr. Harcom are no less than a liberal abuse of the truth and the actual facts. "Furported questions and answers in the Menlo Park News of April 22, 1932, depart so far from actualities that I have hesitated to honor them with any sort of acknowledgment. Such a generous distortion of truth would put the most imaginative to shame—to the extent that I do not consider further recognition of such news publicity necessary, but would be glad at any time to consider, in public, with Mr. Harcom present, the entire text of his erroneous and untruthful statements." On motion of Dale, the council

agreed to investigate the matter on Thursday night.

Work on the Paraiso Park paving has been completed, City Engineer Mehl reported to the council, which passed a resolution ordering the assessments to be drawn.

A communication from F. J. Fumivall demanded that the city remove limbs and rubbish of the tree which was blown down on

his property at Oak Grove avenue and Mills street early in the winter. Otherwise, he announced, he would hire a man to do the job at the city expense. The matter was referred to Mehl, who declared that the limbs had been left at the time that the tree was removed in order that Fumivall might have the wood in them that might be used. Several Fremont street property

owners in a communication to the council requested that their names be withdrawn from the petition asking that that street be paved. Consideration of the request was scheduled for May 3. An ordinance repealing ordinance No. 46, the present police ordinance, was given its first reading. The new ordinance will regulate

the salary of the policemen.

On Friday evening, May 6, at 8 o'clock in the grammar school auditorium, a three-act comedy will be given by the Saint James Players, the guests for the evening of Saint Joseph's Alumni. Professor D. E. Sullivan will direct the play which goes by the romantic name of the "Royal Honeymoon."

NEW ATTACK PLANES

WASHINGTON—The U.S. Army Air Corps is now testing a new type of attack plane, said to be the latest word in speed and fighting ability. It is a low wing monoplane fitted with guns to attack troops on the ground. The power plant, rating at 600 horsepower, is liquid cooled. The new plane uses a three-bladed propeller.

Sunday services 11 a. m.
Wednesday evening 8 p. m.
Reading room in church edifice open 1:30 to 4:30 p. m. except Sunday and holidays.

"Everlasting Punishment" will be the subject of the Lesson-Sermon Sunday, May 1, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The citations which comprise the Lesson-Sermon will include the following from the Bible: "O ye sons of men, how long will ye turn my glory into shame? how long will ye love vanity, and seek after leasing? But know that the Lord hath set apart him that is godly for himself: The Lord will hear when I call unto him. Stand in awe, and sin not; commune with your own heart upon your bed, and be still. Offer the sacrifices of righteousness, and put your trust in the Lord" (Ps. 42-5).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal. But the belief in sin is punished so long as the belief lasts" (p. 497).

Saves Your Time and Energy
With plenty of hot water, dirt dissolves from 2 to 20 times faster. That saves energy with the clothes and dishes. It also saves time. Studies have been made which show that an Automatic Gas Water Heater saves from 4 to 6 hours each week.

Install an Automatic Gas Water Heater. It heats the water, stores it in its big tank, and shuts itself off. No gas is wasted keeping the water hot because the boiler is insulated.

See the new Automatics. When you select one you are not buying a luxury but making an investment in one of the most important necessities for happy healthful home life. Then, too, the word HOT on your faucets will mean hot any time of the day or night when you have an Automatic Water Heater.

*According to our gas rates, Automatic Water Heating with Natural Gas saves the average consumer 40%.
